Background/Supporting Information

The City of Minneapolis uses the open appointment process for Boards and Commissions to select advisory board members. The purpose of this advisory board is to advise the Council on construction, maintenance, and operation of improvements and the furnishing of special services to Nicollet Avenue Special Service District (SSD). The advisory board makes recommendations on requests and complaints of owners, occupants, and users of property within the district and members of the public.

Three members were previously appointed on July 24, 2012. There are three more individuals or companies who are willing to serve on this board. All the new candidates meet the requirements for board membership, which includes being a resident or property owner within the district. The Nicollet Avenue Special Service District is located in Wards 6 and 7. Council Members Robert Lilligren and Lisa Goodman have approved the recommendations submitted by Public Works. Staff will work with the City Council and current SSD board members to identify qualifying candidates for any remaining board vacancies.
